To The Secretary to the Government of Madras,
EDUCATION AND PUBLIC HEALTH Department.
MADRAS.

Sir,

The washing of linen of the Government Headquarters Hospital and Lady Goschen Hospital, Mangalore is done on contract basis. The existing contract for washing the soiled linen of the above hospitals expired on 30-6-1945. The District Medical Officer, South Kanara has invited tenders for washing the linen of the Hospitals for a period of one year from 1-7-1945. The rates quoted by the two tenderers (Julian D' Souza and Mark D' Souza) and the market rates are given in the appended comparative statement.

It is reported that it is not possible to appoint whole time dhobies on monthly pay in the scale of pay sanctioned by the Government in G.O.No.382, Public Health dated 10th February 1944 as the practice of employing dhobies as whole time servants on monthly pay is not in vogue in the locality. The rates quoted by the tenderers are higher than the current market rates and since there are only two

tenderers

tenderers and as the market rate of Rs.5 to 6 reported by the Tahsildar, Mangalore is only for house-hold clothes which will not be so big and dirty as the hospital clothes, the District Medical Officer recommends that the lower rate of the two tenderers ie. of Julian D'Souza may be accepted. The acceptance of the tender rate above the market rate will be objectionable in audit. In the circumstances stated above it is requested that the Government may be pleased to authorise the acceptance of the rates quoted by Julian D'Souza ie. Rs.6-8-0 for washing 100 clothes of the Government Headquarters Hospital and Lady Goschen Hospital, Mangalore, for a period of one year from 1-7-1945. Early orders are solicited.

Your obedient servant,

for Surgeon-General with the Govt.of Madras.
